OUR PEACE IN PIECES

TEACHING

Our world is filled with chaos and confusion with a global pandemic, with social unrest and spiritual uncertainty. We strive to put the pieces of our lives back together with decisive action or with complete avoidance or with living in the routine – even if that's broken and failed.

REFLECTION

What parts of your life are in pieces?

Where in your life have you tried to make peace – and failed?

GOD'S PIECE

TEACHING

God – through Jesus Christ is revealed as the Prince of Peace in Isaiah 9:6. In John 14:27 Jesus declares that the peace that He is will be offered to us. That peace will provide God's power and hope in the midst of the world.

REFLECTION

Where in your life has God revealed peace to you?

ADVENT PEACE

TEACHING

God continues to speak a peace that guides our lives and guards our lives – Philippians 4: 7. If we know God – then we will know His peace. God who came as a baby to his world, lived as a man in this world also died as a saviour for this world and ultimately reigns as King over the world. In HIM we find our peace.

REFLECTION

Where in your life can God speak peace to you?

Where in your life can you speak peace to others?
