UNCERTAINTY

TEACHING

The world is currently filled with much anxiety and fear – largely due to the uncertainty caused by the Covid 19 virus. Will I get sick? Will I die? Will I lose my finances? Will I lose my family?

Our questions and fears find a future that is resolved by our efforts to be good enough or to work hard enough. Or they simply make the end easier to achieve. But both end up failing us – leaving with even greater uncertainty.

REFLECTIONS

Where in your life are there great mysteries or uncertainties now?

What is it that you are hoping for to resolve those parts that are mysterious or uncertain?

CERTAINTY

TEACHING

God reminds us of a destiny with Him that will be for eternity. A place that is found only in the grace of Jesus Christ and in the power of the Holy Spirit. A place that is not comparable to any human understanding but is found in our belonging to God. The Holy Spirit of God assures us of these truths – in this world and in the world yet to come.

REFLECTIONS

Where in your life do you need more faith to see God's promises?

Where in your life do you need God's assurance of His promises?

Where in your life can you respond with praise and thanksgiving for all God has done – and is still doing in your life?
