Scripture: Isaiah 40: 9-11 // Psalm 100 // John 20: 24-29

Date: April 4, 2021

### **MYSTERY**

#### *TEACHING*

Life can be very confusing and uncertain at time. A mystery of where we are going in life and where God is in the midst of it. We look for proof – signs – that we are not alone and are not forgotten. We look for a sign or a symbol of faith to give us hope, to give us light – to give us faith. We wonder if the faith is really true.

#### *REFLECTIONS*

Where in your faith / life are you needing God's presence to give you a sign of His presence – His plan for your life?

### **MERCY**

#### *TEACHING*

God – in His grace – walks alongside of us. Even in our mystery of faith and life. Gently revealing Himself – His character and His works.

#### *REFLECTIONS*

Where in your life has God's presence alongside of you been a blessing?

### **MAJESTY**

#### *TEACHING*

As God walks with us in our journey we discover the majesty of who He really is. In creation, revelation, incarnation, crucifixion and resurrection we discover the greatness and the glory of God. Thomas declares – in response to Jesus' proof to Him – My lord and My God. The questions of our life become a statement of faith – truth and life.

#### *REFLECTIONS*

Where in your life or faith has God's presence or power completely shocked your world?
