

## We Seek – God Speaks

Scripture: 2 Chronicles 20: 1-30 (vs. 14-19)  
Date: August 30, 2020

### **GOD SPEAKS**

#### *TEACHING*

A good recipe has essential aspects to it that did make it worthwhile. First one needs to trust the source - was the person who gave the recipe a good cook? Secondly one needs to trust the product - was the food – good food to want to eat? Finally, one need to trust the process - were the directions clear and able to be followed?

#### *REFLECTIONS*

Where in your life has God spoken to you?

What convinced you that it was God speaking?

What was your response – doubt / denial / delight ?

### **WE SING**

#### *TEACHING*

God moments can cause us to kneel down in holy submission or they can cause us to stand up and shout. Our questions of God's presence answered – our questions of God's directions revealed can be left aside as fate or luck

#### *REFLECTIONS*

When has God caused you to fall to your knees in silent awe?

When has God caused you to stand and shout praises?
