

## **God's Love Goes Out - Fellowship**

Scripture: Acts 2: 42-47

Date: July 12, 2020

### **KOINONIA IN CRISIS**

#### *TEACHING*

The early church was devoted to koinonia or fellowship. Koinonia is more than a superficial fellowship but a relationship of deep caring and support and encouragement. Yet the world lacks these aspects due to the lack of trust of the possibility of friendship and the permanence of fellowship. Many people feel displaced, unsettled and 'outside'

#### *REFLECTIONS*

Where have you missed koinonia fellowship in the last few months?

Where do you feel displaced, unsettled or 'outside' in the world in which you live?

### **KOINONIA IN CHRIST & THE CHURCH**

#### *REFLECTIONS*

Where in your life is God calling your fellowship with Him to a deeper level?

### **KOINONIA IN COMMUNITY**

#### *TEACHING*

God's love empowers and encourages us in our fellowship with Him and calls us to mirror that with others around us. To give a love that feeds the friendships in authenticity and offers the furnishings of a safe and trusted place of community.
