

God's Love Goes Out - StewardSHIP

Scripture: Acts 2: 42-47 / Ephesians 3: 14-21

Date: July 26, 2020

POWER RECEIVED

TEACHING

Zechariah 4: 6 speaks of how the church is built and developed not by our effort or imagination but by the power and the purposes of God. Ephesians 3: 14-21 is a prayer that the people of God would receive power to know this God in all of His fullness.

REFLECTIONS

Where in your world do you need the power of God to strengthen and support you?

Where in your world do you need to connect more into God's power?

POWER RESPONDED

TEACHING

Ephesians 3: 18 speaks of how this power – of God – is exercised through the people of God. Stewardship is the responsibility of taking care of – and using properly – the gifts, the calling and the power of God.

REFLECTIONS

Where in your world can God's power be connected through your life to the world around you?

Where can you steward your response of tithe (financially), of talents (gifts, abilities etc.) or of time to help build God's Kingdom through Maranatha or in your world?
